

NACENA CAPITAL REGION CHAPTER

Our story

By

Justice C Madubiike

President

We were formally organized into two zones in October 2002 by the second NACENA president Elder Philemon Onwere:

a. Washington DC Metropolitan Area zone Ms. Joy Ugo Wigwe, Zonal Coordinator

b. Baltimore Metropolitan Area zone Elder Godfrey Esochaghi, Zonal Coordinator

The two zones operated independently but collaborated on common issues like hosting of the 2003 convention held on the grounds of Washington Adventist University, Takoma Park MD from July 18-20. In 2016, Ms. Wigwe was asked by Dr. Charles Imo serve as the regional coordinator for the area covering the states of Maryland, Virginia and the

District of Columbia, a position she held until April 29 2017 when NACENA Capital Region was born. Capital Region Chapter consists of the tristate areas of Maryland, D.C and Virginia. Being a nascent chapter, we are currently engaging in a massive membership drive considering that we cover a large geographical area.

We at NACENA Capital Region Chapter wish to use this medium to congratulate Dr Charles Ngozi Imo, the NACENA national President and Houston chapter for hosting a very successful national convention.
