

NACENA CHICAGO CHAPTER

By
Chinedu. N. Nwaru

President

On behalf of the entire members of NACENA Chicago Chapter, I bring you greetings and wish everyone the blessings of our Lord Jesus Christ whom we have chosen this day to worship and to serve. It's my pleasure sharing with you, just the synopsis of the activities of NACENA in the Chicago land area. It will interest you to note that NACENA has been in existence in our area, long before the official inauguration of the chapter on August 27, 2016 by Dr. Charles Imo. In fact, our members once hosted a NACENA national convention during the tenure of Pastor Roland Nwosu. We equally featured prominently at the famous NACENA Reunion Convention held in Atlanta in 2012. I thank the organizers of that convention for "striking that last match" that gave us the light we are seeing today.

NACENA Chicago chapter boasts of many members scattered in different churches within the Chicago city and its environs. Though we use the Nigerian SDA church in

Chicago Heights as our home base, it didn't take long for us to realize that scheduled meetings always conflicted with church meetings and besides, members had to travel long distances in order to be in attendance. As our Lord would have it, through the help of our chapter's Publicity Secretary Dr. Enyioma Onyeobia, we were able to develop a "WhatsApp" Group forum through which we pass important notices to our members. When the NACENA national executive found out that what Chicago Chapter is doing is good, they followed by creating a national WhatsApp Group. We hold our meetings as often as necessary and during our last executive meeting we agreed that meetings should be conducted through phone conferences sometimes.

As a member of the general NACENA body, Chicago chapter pledges to support the parent body in whatever effort they will be making in fostering, promoting, and supporting evangelism, health and education in Eastern Nigeria in general and within its membership in particular, while we wait for the second coming of our Lord Jesus Christ for our reward as promised. May God Bless you all in Jesus name. Amen.
